

Curriculum Vitae

Dr. Nicholas J. Bishop

Associate Professor

Family Studies & Human Development

Norton School of Family & Consumer Sciences

University of Arizona

Updated: August 23, 2022

Academic/Professional Background

Education

- PhD, Arizona State University, Sociology, 2011
- MA, University of Colorado at Denver, Sociology, 2007
- BA, University of Colorado at Denver, Sociology, 2004

University Experience

- Associate Professor, University of Arizona, 2022 – present
- Assistant Professor, Texas State University, 2016 – 2022
- Statistical Consultant, School of Family and Consumer Sciences, Texas State University, 2015 – 2022
- Clinical Assistant Professor, Texas State University, 2015 – 2016
- Research Consultant, Arizona State University, 2011 – 2012
- Faculty Associate, Arizona State University, 2008 – 2012
- Research Assistant Arizona State University, 2008 – 2011
- Teaching Associate, Arizona State University, 2008 – 2009
- Faculty Associate, University of Colorado at Denver and Health Sciences Center, 2007
- Teaching Associate, University of Colorado at Denver and Health Sciences Center, 2006

Relevant Professional Experience

- Arizona Vital Statistician, Arizona Department of Health Services, 2013 – 2014
- Interim Director of Accountability, Arizona Department of Education, 2012 – 2013
- Research Associate, Arizona Department of Education, 2012
- Senior Data Analyst, Behavior Data Systems, Ltd., 2011
- Statistical Consultant, Behavior Data Systems, Ltd., 2008 – 2011

Grants and Contracts

Funded External Grants and Contracts

1. **Bishop, N. J.** (PI), & Zuniga, K. E. (Co-PI) Investigating Walnut Consumption, Age, and Changes in Cognitive Health in a Nationally-Representative Sample of Older U.S. Adults. Funder: California Walnut Commission, \$64,751. (Submitted: July 10, 2018, Funded: September 1, 2018 – June 30, 2019).
2. **Bishop, N. J.** (PI), & Zuniga, K.E. (Co-PI). Investigating Egg Consumption, Choline and Lutein Intake, Age, and Changes in Cognitive Health in a Nationally Representative Sample of Older Adults. Funder: Egg Nutrition Center, \$34,665. (Submitted: May 1, 2017, Funded: February 1, 2018 - August 31, 2018).

Funded Internal Grants and Contracts

1. **Bishop, N. J.** (PI). Food Insecurity, Dietary Quality, and Chronic Disease Progression in a Representative Sample of Older U.S. Adults: Do Federal and Local Nutrition Assistance Programs Play a Protective Role? Funder: Texas State University, Research Enhancement Program, \$8,000. (Submitted: October 8, 2019, Funded: January 22, 2020 – May 20, 2021).
2. **Bishop, N. J.** (PI), & Zuniga, K. E. (Co-PI). Empirically Derived Dietary Patterns and Cognitive Decline in Older Adults: An Application of Exploratory Factor Mixture Models. Funder: Texas State University, Texas State University, \$15,550. (Submitted: October 6, 2016, Funded: January 7, 2017 – May 31, 2017).
3. Goble, P. M. (PI), Yishan Shen (Co-PI), Perez-Brena, N. J. (Co-PI), Weimer, A. (Co-PI), & **Bishop, N. J.** (Co-I). Opportunities for Undergraduate Research in Human Development & Family Science (OUR HDFS) Fellowship. Funder: Texas State University, College of Applied Arts, \$5,000. (Submitted June 11, 2021, Funded August 5, 2021 – July 31, 2022).

External Grant Applications Not Funded

1. **Bishop, N. J.** (PI), Quiñones, A. R. (Co-I), & Haas, S. A. (Co-I). Concurrent Progression of Multimorbidity and Cognitive Impairment among Older Adults. PAR-20-179: Advancing Research to Develop Improved Measures and Methods for Understanding Multimorbidity. Funder: National Institutes of Health, Office of Disease Prevention, \$1,624,388.68 (Submitted October 4, 2021).
2. Goble, P. M., Shen, Y., Perez-Brena, N. J., Weimer, A. A., Alfaro, E. C., **Bishop, N. J.** REU Site: Opportunities for Undergraduate Research in Human Development and Family Sciences (OUR HDFS) Fellowship Program, Federal, \$369,778.00. (Submitted August 23, 2021).
3. **Bishop, N. J.** (PI), Quiñones, A. R. (Co-I), & Haas, S. A. (Co-I). Concurrent Progression of Multimorbidity and Cognitive Impairment among Older Adults. PAR-20-179: Advancing Research to Develop Improved Measures and Methods for Understanding Multimorbidity. Funder: National Institutes of Health, Office of Disease Prevention, \$1,504,891. (Submitted February 1, 2021).
4. **Bishop, N. J.** (PI), & Zuniga, K. E. (Co-PI). Investigating Peanut Intake, Progression in Physical Disablement, and Mortality in a Representative Sample of Older U.S. Adults. Funder: The Peanut Institute. \$112,133. (Submitted March 24, 2020).
5. **Bishop, N. J.** (PI), & Zuniga, K. E. (Co-PI). Food Insecurity, Dietary Quality, and Chronic Disease Progression in a Representative Sample of Older U.S. Adults: Do Federal and Local Nutrition Assistance Programs Play a Protective Role? Funder: University of Kentucky Center for Poverty Research/United States Department of Agriculture, \$249,819. (Submitted January 18, 2019).
6. Smith, K. (PI), **Bishop, N.** (co-PI), Gray, G. (co-PI), Tamir, D. (co-PI), & Williams, R. (co-PI). SoberCat Smartphone App to Decrease Binge Drinking in College Students. Funder: National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism, \$398,412. (Submitted March 16, 2016).

Research

Refereed Journal Articles (*designates student author)

1. **Bishop, N. J.**, Haas, S. A., & Quiñones, A. R. (2022). Cohort trends in chronic disease burden and multimorbidity among aging US adults. *The Journals of Gerontology, Series B: Social Sciences*. <https://doi.org/10.1093/geronb/gbac070> (Impact factor, 2020: 4.077).

Papers Presented at Professional Meetings

1. **Bishop, N. J.**, Haas, S. A., & Quiñones, A. R. (2021, November). *Birth Cohort Differences in Multimorbidity Burden among Aging US Adults*. Paper presented at the Gerontological Society of America's annual meeting, virtual.
2. **Bishop, N. J.**, & Zhu, J. (2021, June). *Investigating Racial/Ethnic Disparities in the Association between AHEI 2010 and Change in Cystatin C in a Representative Sample of Older Americans*. Paper presented at the American Society of Nutrition virtual meeting, United States.
3. Page, J. (Presenting)*, Crixell, S. L., Markides, B. R.*, **Bishop, N. J.**, & Biediger Friedman, L. M. (2017, April). *Comparison of Healthy Eating Index-2010 Scores of Preschool-Aged Children in a High-Risk Community to Those of an Age-Matched National Sample (NHANES 2009-2012)*. Paper presented at the Experimental Biology 2017 Conference.
4. **Bishop, N. J.** (2011, March). *Examining Socioeconomic Variation in the Co-Evolution of Cognitive Decline and Functional Limitations among the Oldest Old*. Paper Presented at the Population Association of America's annual meeting.
5. **Bishop, N. J.** (2010, April). *Exploring Disparities in the Cognitive Functioning of Older Americans Using Growth Curve Selection Modeling: Do Health Behaviors Play a Role?* Paper presented at the Population Association of America's annual meeting
6. **Bishop, N. J.**, & Haas, S. A. (2009, April). *The Influence of Access: Longitudinal BMI Change and Socioeconomic Status in the Health and Retirement Study, 1992-2006*. Paper presented at the Population Association of America's annual meeting.
7. Haas, S. A., & **Bishop, N. J.** (2009, April). *What Do Retrospective Subjective Reports of Childhood Health Capture? Evidence from the WLS and the PSID*. Paper presented at the Population Association of America's annual meeting.
8. **Bishop, N. J.** (2008, April). *Stretch to Fit: Yoga and the Contemporary Health Lifestyle*. Paper presented at the Pacific Sociological Association's annual meeting.
9. **Bishop, N. J.** (2007, April) *Variations on Gender Modeling in the Televised Kitchen*. Paper presented at the Pacific Sociological Association's annual meeting.
10. **Bishop, N. J.** (2005, April), *Kick It up a Notch: Masculinity, Hierarchy and the Televised Kitchen*. Paper presented at the Pacific Sociological Association's annual meeting.

Posters Presented at Professional Meetings

1. Tucker, J.*, **Bishop, N. J.**, Wang, K. & Phillips, F. (2021, November). *Quality of Social Relationships Moderates the Impact of Marital Transitions on Depression for Older Adult Women*. Poster presented at the Gerontological Society of America's annual meeting, virtual.

2. **Bishop, N. J.**, Ullevig, S., Wang, K., Zuniga, K., & Tucker, J.* (2020, November). *Dietary Quality Predicts Short Term Change in Mobility Limitations in Older US Adults*. Poster presented at the Gerontological Society of America's annual meeting, virtual.
3. Tucker, J.*, & **Bishop, N. J.** (2020, November). *Social Support and Depressive Outcomes in Bereaved Older Adults: An Analysis of the Health and Retirement Study*. Poster presented at the Gerontological Society of America's annual meeting, virtual.
4. **Bishop, N. J.** (2020, June). *Estimating Sample Size Required to Establish an Association between Walnut Intake and Cognitive Change in Older Adults: An Application of Monte Carlo Power Analysis*. Poster presented at the American Society of Nutrition virtual meeting, United States.
5. **Bishop, N. J.**, & Zuniga, K. E. (2019, November). *Investigating Walnut Consumption and Cognitive Health in a Representative Sample of Older US Adults*. Poster presented at the Gerontological Society of America's annual meeting, Austin, TX, United States.
6. **Bishop, N. J.**, & Wang, K. (2019, November). *Parallel Development of Memory, Disability, and Comorbidity in US Adults Age 65 and Older*. Poster presented at the Gerontological Society of America's annual meeting, Austin, TX, United States.
7. **Bishop, N. J.**, Zuniga, K. E., & Noon, B.* (2019, June). *Egg Consumption, Multi-Domain Cognitive Performance, and Short-Term Cognitive Change in a Representative Sample of Older U.S. Adults*. Poster presented at the American Society of Nutrition, Baltimore, MD, United States.
8. Turner, A.*, Zuniga, K., & **Bishop, N. J.** (2019, June). *Relationship between Dietary Lutein and Cognition in an Older Adult Population*. Poster presented at the American Society of Nutrition, Baltimore, MD, United States.
9. **Bishop, N. J.**, Zuniga, K. E., & Noon, B.* (2019, April). *Caloric Intake and Dietary Factors are Associated with Onset of Physical Disability and Mortality in a Representative Sample of Older Adults*. Poster presented at the Population Association of America's annual meeting, Austin, TX, United States.
10. **Bishop, N. J.**, & Wang, K. (2018, April). *Food Insecurity, Chronic Disease Burden, and Mobility Limitations among Older U.S. Adults: Findings from the Health and Retirement Study and Health Care and Nutrition Study" Population Association of America*. Poster presented at the Population Association of America's annual meeting.
11. **Bishop, N. J.**, & Wang, K. (2018, April). *Food Insecurity, Chronic Disease Burden, and Mobility Limitations among Older U.S. Adults: Findings from the Health and Retirement Study and Health Care and Nutrition Study" Population Association of America*. Poster presented at the Population Association of America's annual meeting.
12. **Bishop, N. J.**, & Zuniga, K. E. (2017, November). *Empirically Derived Dietary Patterns and Cognitive Decline in Older Adults: An Application of Exploratory Factor Mixture Models*. Poster presented at the American Public Health Association's annual meeting, Atlanta, GA
13. Thornton, H., Biediger-Friedman, L. M., **Bishop, N. J.**, Abohosh, A.*, Alhado, M.*, Moyer, T.*, Powers, R.*, Royer, H.*, & Silva, M.* (2017, March). *Pilot Study to Assess Food Security at a Large University in Central Texas*. Poster presented at the Texas Association of Nutrition and Dietetics' annual meeting.
14. **Bishop, N. J.**, & Zuniga, K. E. (2016, November). *Identifying Diet Typologies and Predictors of Macronutrient Consumption among Aging Americans*. Poster presented at the Gerontological Society of America's annual meeting, New Orleans, LA.
15. Zuniga, K. E., & **Bishop, N. J.** (2016, March). *Cancer Treatment and Cognitive Decline in the Health and Retirement Study*. Poster presented at the International Cancer and Cognition Task Force Conference, Netherlands.

Posters Presented at University Symposium

1. **Bishop, N. J.**, Ullevig, S., Wang, K., Zuniga, K., & Tucker, J.* (2021, April). *Dietary Quality Predicts Short Term Change in Mobility Limitations in Older US Adults*. Poster presented at the Health Scholar Showcase, Texas State University.
2. **Bishop, N. J.**, Zuniga, K. E., & Noon, B.* (2019, April). *Caloric Intake and Dietary Factors are Associated with Onset of Physical Disability and Mortality in a Representative Sample of Older Adults*. Poster presented at the Health Scholar Showcase, Texas State University.
3. **Bishop, N. J.**, & Wang, K. (2018, February). *Food Insecurity, Chronic Disease Burden, and Mobility Limitations among Older U.S. Adults: Findings from the Health and Retirement Study and Health Care and Nutrition Study*. Paper presented at the Health Scholar Showcase, Texas State University.
4. **Bishop, N. J.**, & Zuniga, K. E. (2017, November). *Empirically-Derived Dietary Patterns and Cognitive Decline in Older Adults: An Application of Factor Mixture Models*. Paper presented at the FCS Food Day Research Symposium, Texas State University, School of Family and Consumer Sciences.
5. Biediger-Friedman, L., Thornton, H., **Bishop, N. J.**, Crowder, L.*, & Varnell, K.* (2017, November). *There's Nothing to Eat: Food Security at Texas State University*. Paper presented at the FCS Food Day Research Symposium, Texas State University, School of Family and Consumer Sciences.
6. **Bishop, N. J.**, & Zuniga, K. E. (2017, February). *Identifying Diet Typologies and Predictors of Macronutrient Consumption among Aging Americans*. Paper presented at the Health Scholar Showcase Texas State University.

Roundtables

1. **Bishop, N. J.**, & Schaefer, D. R. (2009, August). American Sociological Association, annual meeting, "The Academic Influence of the Adolescent Peer Group: How Does Variation in Social Network Capital Influence Individual Outcomes?"

Invited Talks, Lectures, and Presentations

1. **Bishop, N. J.**, & Zuniga, K. (2019, July). "Walnut Consumption and Cognitive Trajectories in a Representative Sample of Older U.S. Adults". California Walnut Commission Health Research Conference.
2. **Bishop, N. J.**, Tummala, P., & Herrington, D. (2013, August). "2013 Arizona State Health Assessment," University of Arizona Mel & Enid Zuckerman College of Public Health.
3. **Bishop, N. J.** (2012, June). "Understanding the Arizona Department of Education's 2012 A-F Letter Grade School Accountability System."
4. **Bishop, N. J.** (2011, October). Making Connections, Oklahoma Department of Mental Health and Substance Abuse Services, annual conference, "Comparison of National DUI Data (and more!)."

Presented Workshops

1. **Bishop, N. J.** (2021, March). Department of Family and Consumer Sciences/College of Applied Arts faculty workshop, "An Introduction to R and R Studio Cloud" Texas State University.
2. **Bishop, N. J.** (2015, October). Department of Family and Consumer Sciences faculty workshop, "For Good (Latent) Measure: Guidelines in Scale Development" Texas State University.

Scholarly / Creative Fellowships, Awards, Honors

1. College Achievement Award for Excellence, Scholarly/Creative Activities, Texas State University (2019).

2. Graduate Student Research Innovation Fellowship Award, Arizona State University, School of Social and Family Dynamics (2010).

Scholarly / Creative Professional Development Activities Attended

1. “Introduction to R Tidyverse.” ICPSR Summer Program in Quantitative Methods of Social Research (May 13, 2020 – May 15, 2020).
2. “Quasi-Experimental Design and Analysis Workshop.” (July 18, 2016 – July 22, 2016).
3. “Structural Equation Modeling: A Second Course.” (June 4, 2015 – June 6, 2015).
4. “RAND Summer Institute,” Mini-Medical School for Social Scientists/Demography, Economics, and Epidemiology of Aging. (2010).

Press Coverage

1. Media coverage of research. As of 08/23/22, 61 news outlets, 4 blogs, 22 tweets. “Cohort Trends in the Burden of Multiple Chronic Conditions among Aging U.S. Adults”. <https://oxfordjournals.altmetric.com/details/129352660/news>
2. Media coverage of research. [verywellhealth.com](https://www.verywellhealth.com). “Walnuts May Support Brain Function in Older Adults, Study Shows”. Published September 24, 2020. <https://www.verywellhealth.com/walnut-consumption-supports-cognitive-function-5079159>
3. University press release. “Texas State study shows walnut consumption associated with better cognitive health”. Published July 28, 2020. <https://news.txstate.edu/research-and-innovation/2020/texas-state-study-shows-walnut-consumption-associated-with-better-cognitive-health.html>

Teaching

Courses Taught

University of Arizona

1. FSHD 537A - Statistical Inference for the Social Sciences (1 section; taught in-person).

Texas State University (6 courses; 23 sections)

1. HDFS 1351 - Lifespan Development (1 section; taught hybrid).
2. HDFS 2311 - Statistics and Data Analysis for Human Development and Family Sciences (1 section; taught in-person).
